# INTRODUCTION

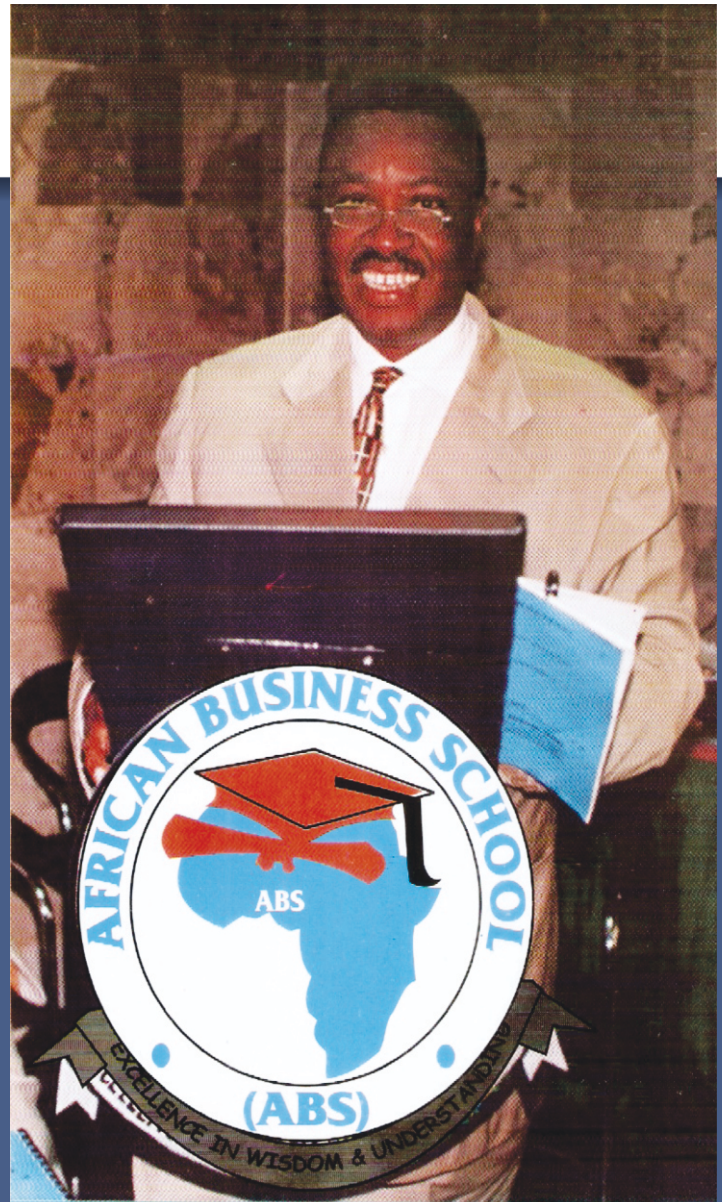

## ABS OF AFRICA

The African Business School was established in the year 2000 as Y2K academic and professional compliant institutions for the attainment of professional advancement both technologically and otherwise in Business, financial, Administration, Accounts, Marketing, Banking Management and Public Administration etc.

Additionally, it constitutes a forum for the socio-economic and business interactions of the juggernauts in Africa and the world at large, for sharing views and exchanging ideas in areas of investment and management, focusing on African Business culture and philosophy.

The school has two segments:

1. The Business Executives Forum (BEF)
2. The Academic Forum

## OUR VISION

We aspire to be the largest professional trainer of business Directors in Nigeria and Africa at large.

## AFFILIATION
